

Appendix G

Data Validation Reports (Provided Separately)

G-1 IRM #1 Data Validation Reports

G-2 Phase 1A Data Validation Reports

The following data validation reports from Phase 1A could not be located and are not included in this appendix: JB74U, J48513, and R2318052 (non-hexavalent chromium reports).

G-3 Phase 1B Data Validation Reports

G-4 Phase 1C Data Validation Reports

G-5 Phase 2A Data Validation Reports

The following data validation reports from Phase 2A could not be located and are not included in this appendix: 03-10363, 03-10392, 03-10431, 03-10888, 03-11308, B705, B735, JB00572, and K415. For JB00572, there are data validation reports for other analytes, but not for hexavalent chromium.

G-6 Phase 2B-1 Data Validation Reports

The following data validation reports from Phase 2B-1 could not be located and are not included in this appendix: 03-10363, 03-10392, 03-10431, 03-10468, 03-10748, 04-02987, 04-03037, 10227, 460262381, V056, V057, W402, JB58874/JB58874R, and JB70668/JB70668R.

G-7 Phase 2B-2 Data Validation Reports

The following data validation report from Phase 2B-2 could not be located and is not included in this appendix: 03-10275.

G-8 Phase 2B-3 Data Validation Reports

The following data validation reports from Phase 2B-3 could not be located and are not included in this appendix: J8861, 03-10155, and 03-10170.

G-9 Phase 2B-4 Data Validation Reports

The following data validation reports from Phase 2B-4 could not be located and are not included in this appendix: 10155, 10227, 03170, 03230, K535, and J8972.
