Re: **Area of Concern - No Further Action Letter**

Remedial Action Type: **Unrestricted Use for the CCPW Area of Concern Only as Defined Below**

Hudson County Chromate Site 204
Monitor Street (West Side of NJTP)
Jersey City, Hudson County
Program Interest #: G000044585

Activity Number: PFR000001

Document Title: HCC 204 Conrail Edgewater Branch
Former Block 2145, Lots 41c, 56 and 62 (As referenced in the March 2012
Preliminary Assessment)

Dear Mr. Terril:

Pursuant to N.J.S.A. 58:10B-13.1 and N.J.A.C. 7:26C, the New Jersey Department of Environmental Protection (Department) issues this Area of Concern - No Further Action (AOC-NFA) letter for the remediation of the site specifically referenced above, so long as PPG Industries, Inc. (PPG) did not withhold any information from the Department. This action is based upon information in the Department's case file and PPG's final certified Preliminary Assessment Report dated March 2012. In issuing this AOC-NFA letter, the Department has relied upon the certified representations and information provided to the Department. To remain in compliance with the terms of this AOC-NFA letter, PPG as well as each subsequent owner, lessee and operator must comply with the conditions noted below.

By issuance of this AOC-NFA letter, the Department acknowledges the completion of a Preliminary Assessment, pursuant to the Technical Requirements for Site Remediation (N.J.A.C. 7:26E), the Partial Consent Judgment for PPG Sites dated June 26, 2009, and the Consent Judgment dated September 7, 2011, for the entire site. CCPW is defined as "chromate chemical production waste, a by-product generated from the production of sodium bichromate, including, but not limited to, chromium ore processing residue".

By operation of law a Covenant Not to Sue pursuant to N.J.S.A. 58:10B-13.1 applies to this remediation. The Covenant Not to Sue is subject to any conditions and limitations contained herein. The Covenant Not to Sue remains effective only as long as the real property referenced above continues to meet the conditions of this No Further Action Letter.

NO FURTHER ACTION CONDITIONS

Pursuant to N.J.S.A. 58:10B-12o, PPG and any other person who were liable for the cleanup and removal costs, and remains liable pursuant to the Spill Act, shall inform the Department in writing within 14 calendar days whenever its name or address changes. Any notices submitted pursuant to this paragraph shall reference the above case numbers and shall be sent to: Bureau of Case Assignment and Initial Notice – Case Assignment Section, 401-05H, P.O. Box 420, Trenton, N.J. 08625-0420.

Thank you for your attention to these matters. If you have any questions regarding this matter, please contact me at (609) 984-2905.

Sincerely,

Thomas J. Cozzi, Assistant Director
Site Remediation DEP
