Re: PPG Site 63/65 Chromate Remedial Action
1 Burma Road, Jersey City, NJ
Block: 24306 Lot: 11
HEPSCD 251 ID Code #214-H-3303, plan dated 2/24/14

Dear Sir/Madam:

The District has completed the review of the soil erosion and sediment control plan for the above referenced project and hereby reports that the plan meets the Standards for Soil Erosion and Sediment Control in New Jersey (N.J.A.C.290-1.1 et seq., promulgated pursuant to the New Jersey Soil Erosion and Sediment Control Act, N.J.S.A.4-24-39 et seq.). Accordingly, the plan is **certified** by the Hudson-Essex-Passaic Soil Conservation District subject to the following conditions:

- The District must be notified in writing 48 hours prior to the commencement of any construction activity.
- A copy of the certified plan must be kept on the job site at all times.
- The applicant or contractor must request a final inspection (once landscaping and final soil stabilization is complete) & obtain a Report of Compliance prior to seeking a temporary or permanent Certificate of Occupancy.
- The District must be provided with written notification of any conveyance of this project, subject property, or portions thereof, including individual residential lots if applicable. Said notice must provide the names, addresses, and telephone numbers of subsequent owners.
- The District must be informed of address and or telephone number changes of owners, agents responsible for site construction, and job supervisors.

Please be advised that the Soil Erosion and Sediment Control Act authorizes the issuance of stop construction orders and penalties of up to \$3000 per day for violations of the certified plan or for failure to comply with the aforementioned requirements. Please be further advised that any conveyance of this project or portions thereof will transfer full responsibility for compliance with the certified plan to subsequent owners. Please contact the District if you require assistance implementing the certified soil erosion and sediment control plan. This certification is valid for 3-1/2 years from the date of this letter and is limited to the controls specified in this plan. It is not authorization to engage in proposed land use unless such use has been previously approved by the municipality or other controlling agency.

Yours truly,

Carl Quazza
Chairman

City Latrobe	State PA	Zip 15650
Phone 412-916-9600		Fax # 724-520-8540

The applicant hereby certifies that all soil erosion and sediment control measures are designed in accordance with current Standards for Soil Erosion and Sediment Control In New Jersey and will be installed in accordance with those Standards and the plan as approved by the Soil Conservation District and agrees as follows:

- To notify the District in writing at least 48 hours in advance of any land disturbance activity. Failure to provide such notification may result in additional inspection fees.
- To notify the District upon completion of the Project (Note: No certificate of occupancy can be granted until a report of compliance is issued by the District.
- To maintain a copy of the certified plan on the project site during construction.
- To allow District agents to go upon project lands for inspection.
- That any conveyance of this project or portion thereof prior to its completion will transfer full responsibility for compliance with the certified plan to any subsequent owners.
- To comply with all terms and conditions of this application and certified plan including payment of all fees prescribed by the district fee schedule hereby incorporated by reference.

The applicant hereby acknowledges that structural measures contained in the Soil Erosion and Sediment Control Plan are reviewed for adequacy to reduce offsite soil erosion and sedimentation and not for adequacy of structural design. The applicant shall retain full responsibility for any damages which may result from any construction activity notwithstanding district certification of the subject soil erosion and sediment control plan. It is understood that approval of the plan submitted with this application shall be valid only for the duration of the initial project approval granted by the municipality. All municipal renewals of this project will require submission and approval by the district. In no case shall the approval extend beyond three and one half years at which time resubmission and certification will be required. Soil Erosion and Sediment Control Plan certification is limited to the controls specified in the plan. It is not authorization to engage in the proposed land use unless such use has been previously approved by the municipality or other controlling agency. It is further understood that all documents, site plans, design reports etc. submitted to the district shall be made available to the public (upon request) pursuant to the Open Public Records Act, N.J.S.A. 47:1A-1 et seq.

1. Applicant Certification* Signature <i>Ronald W. Grapin</i> Applicant Name (Print) <i>Ronald W. Grapin</i> Date <i>3/21/2014</i>	3. Plan determined complete: Signature of District Official Date
2. Receipt of fee, plan and supporting documents is hereby acknowledged: Signature of District Official Date <i>3/24/14</i>	4. Plan certified, denied or other actions noted above. Special Remarks: Signature of District Official Date <i>4/1/14</i>

*If other than project owner, written authorization of owner must be attached.

RE: **PPG Site 63/65 Chromate Remedial Action**

SCD Certification Code: **NW39JNEOHH**

Block: 24306

Chapter 251 ID Code #: **214-H-3303**

Lot: 11

Acres of Soil Disturbance: 1.56

Dear Applicant:

Your proposed project requires a Stormwater Construction General Permit (5G3) pursuant to N.J.S.A. 4:24-39 et seq. Effective October 1, 2009, this permit should no longer be filed through the District office. As the applicant, you are now required to submit applications and payment electronically utilizing the NJDEP Stormwater Construction Activity E-Permitting System. Paper applications are *no longer accepted* by NJDEP Bureau of Permits Management.

In order to access the E-permitting system you must first become a registered user of NJDEP Online at <http://www.nj.gov/dep/online>. Once registered, the following information is required to complete the E-Permit, Stormwater Construction General Permit Request for Authorization (RFA).

1. The Application / Project name
2. The location of the site -- Physical Address, NJ State Plane Coordinates, Block (s) and Lot(s)
3. Highlands Area Approval / Exemption (*if site is located within the Highlands*)
4. Contact information (*address, e-mail, and phone*) for -- Fees / Billing contact, Owner, and Permittee
5. Chapter 251 ID Code and SCD Certification Code (*provided above*)
 - * These codes are unique to your stormwater RFA and Chapter 251 approval. Enter these codes in the E-permitting system, on the screen titled "SCD Certified Plan". The codes are case sensitive and each code may only be used once.
6. Area of land disturbance (*provided above*)
7. The date activity will commence
8. Identification number of all existing NJPDES permits for the facility
9. A project description and description of current land use
10. Certification PIN (*This PIN is generated and e-mailed to you when registering a NJDEP online account.*)
11. A method of payment -- checking / savings account, voucher payment, credit card

If you have questions regarding this information or any other aspect of the E-Permitting system please contact Daniel Kutl, NJDEP Bureau of Nonpoint Pollution Control at (609) 633-7021 or via e-mail at PortalComments@dep.state.nj.us

RE: LETTER OF AUTHORIZATION

Dear Mr. Kiley:

In response to your 5/1/2014 request for an Application for a Letter of Authorization (LOA) to discharge approximately 80,000 gallons of surface water to the Passaic Valley Sewerage Commission (PVSC) treatment works, be advised that PVSC will approve it subject to the following conditions:

- 1) The source of the waste delivered under this approval shall only be from surface water collected at the PPG Industries, Inc. in Jersey City, NJ.
- 2) The authorization to discharge hauled waste is effective as of the date of this letter, and shall expire on 8/1/2014. You must inform PVSC in advance, if an extension is requested.
- 3) All PVSC Rules and Regulations shall be adhered to.
- 4) The rate for the discharge
- 5) The approval (source) code for this wastewater is 4000K.
- 6) There shall be no discharging during wet weather events.
- 7) is required for the issuance of this LOA (see enclosed invoice #LWA-14-0099).

Please be further advised that you are required to meet all Federal and State regulations as well, as they relate to this discharge. If you have any questions regarding this matter please feel free to contact me at (973) 466-2569.

Sincerely,
PASSAIC VALLEY SEWERAGE COMMISSION

Organization Name: Entact

Applicability Questionnaire

Is this a Single Family Dwelling with a land disturbance of one acre or more that was determined to be exempt from Chapter 251 certification? No

Is the discharge associated with a quarrying activity? No

Is the discharge associated with a landfill? No

Is there less than 1 acre of disturbance as per SCD calculations? No

SCD Certified Plan

SCD Certification Code: NW39JNB0HH
251 Identification Code: 214-H-3303

Soil Conservation District - HUDSON-ESSEX-PASSAIC

15 Bloomfield Avenue
North Caldwell, NJ , 07006, (973) 364-0786

Application Specific Information

Area of Disturbance: 1.56

Is this a new facility? N

Project description:

Project is a soil remediation of contaminated site. Work will consist of excavating impacted soil and trucking off site, and replacing with clean fill.

Describe the current land use and general nature of disturbance activity:

The site of excavation is currently not occupied. Tractor trailers park on the site but have been removed.

Do you have any existing NJPDES permits? N

NJPDES Permits: N/A

Permit has a storm water component: N/A

Certification Information

Based on the information provided, your project is subject to permit regulations under N.J.A.C. 7:14A-1.2 and 2.4.(b).11 "Stormwater discharge associated with construction activity"

As a courtesy we have compiled all of your responses and listed them in this report. You have provided all of the information displayed in this report. Please be sure to read all of the Stormwater Construction Permit terms and conditions to ensure you are in compliance at all times during the construction activity. You may print this report for your records.
